

PRECONFERENCE

PERIANESTHESIA REVIEW

Lois Schick, MBA, MN, RN, CPAN, CAPA

Thursday - October 27, 2011

7:30 am - 5:00 pm • Registration 7:30 am

7.0 Contact Hours

\$105 members - \$115 non-members

\$35 Non Licensed Nursing Student*

This one-day workshop will help prepare the participant for the CPAN/CAPA certification examinations.

At the end of the presentation the participant should be able to:

- Identify common anesthesia agents and techniques and their effect on perianesthesia care
- Relate the ASPAN standards of care to perianesthesia nursing practice
- Describe important aspects of patient education
- Discuss common anesthetic emergencies and appropriate nursing interventions
- List important considerations of pediatric, adult, and geriatric patients in the perianesthesia setting
- Describe common tips frequently used when preparing for test taking.

Attendance at conference is not required to attend preconference workshop.
Seating is limited so please register early.

Temperature in the room may vary so dress accordingly.
